Dear Sirs,

Your Order No. 1236

We acknowledge with thanks your letter of 14th October and are pleased to see that some of the articles we offered you have met with your approval.

We regret that 8469 has in the meantime been sold out and, as you asked for immediate delivery, we have replaced it with our quality 8470 at the same price. This quality has just come into stock and we think it is most attractive.

if needed

The goods are being despatched today by passenger train and should reach you tomorrow. We are sure they will be to your satisfaction and hope to receive further orders from you in the future.

Yours faithfully,
B.N. Woollies Co. Ltd.,
